

BELIEVE IN *the* MAGIC of THIS YEAR'S COVETED RAFFLE PRIZE! THE ALL-NEW, REDESIGNED 2013 LEXUS GS 350!

For the past twenty years Lexus has stood for sophistication. The badge is synonymous with the superior comfort, quality, customer satisfaction and relentless innovation that inspired an entire industry. And although it is these attributes that have carried Lexus this far, the company has simultaneously managed to remain true to its roots of continuous improvement.

That is why the all-new 2013 Lexus GS is not simply well-crafted, intelligent and distinguished – it's also dynamic, exhilarating and courageous. The Lexus GS possesses a powerful 206-hp V6 3.5 liter engine mounted to a highly rigid chassis, and is further set apart by an available new rear-wheel steering system. Its elegantly aggressive body style has been designed with a fine eye to be both intuitive and inspiring. And as is this isn't enough, the Lexus GS comes equipped with industry-firsts like an available 12.3 inch split screen high-resolution multimedia display. It's a glimpse of things to come. It's the bold new expression of Lexus.

Lexus is proud to support the Naples Children & Education Foundation.
