JANUARY 2011

NAPLES WINTER WINE FESTIVAL

The Naples Winter Wine Festival is ranked among the top ten arts and entertainment events for wealthy Americans. The event brings many of the world's finest vintners and chefs together with wine collectors and philanthropists for a three-day gala in picturesque Naples, Florida.

The trustees' vision of the Naples Children & Education Foundation (NCEF) made the dream of the Naples Winter Wine Festival a reality. The vision was based on creating an exquisite event, with proceeds benefitting local charities that assist underprivileged and at risk children. These two goals drive the trustees to make the festival a huge success, and once again this year, the festival was recognized as the most successful charity wine auction by Wine Spectator.

Mission & Vision

Proceeds from the Festival benefit the Naples Children & Education Foundation, whose vision is to make a profound and sustaining difference in the quality of children's lives. NCEF is committed to supporting charitable programs that improve the physical, emotional and educational lives of underprivileged and at risk children in Collier County. Since its inception in 2001, the Naples Winter Wine Festival has raised more than \$82.5 million for children in need.
