Turkeys for everyone

NAPLES, Fla. (Nov. 20, 2012) – Naples Children & Education Foundation, founders of Naples Winter Wine Festival, and Harry Chapin Food Bank added fresh turkeys to NCEF's Lunch Boxes of Love pre-Thanksgiving food distribution. Nearly 2,500 turkeys and chickens were distributed to families in need. The distribution is part of NCEF's initiative to combat hunger among the county's underprivileged and at-risk children. Since the first Lunch Boxes of Love food delivery in February 2011, more than 1.8 million pounds of food have been delivered to tens of thousands of children and their families. The deliveries contain fresh fruits, vegetables, canned goods, breads, cereals and meat.
