“In Perfect Harmony” is the theme for the 2023 Naples Winter Wine Festival, the most successful charity wine auction in the world. Each year, wine enthusiasts and collectors, along with well-known philanthropists, descend on Florida’s beautiful Paradise Coast for this prestigious event. The 2023 Naples Winter Wine Festival will offer a weekend of unforgettable memories filled with the finest wines and food from around the world. The excitement begins as guests spend an exclusive, up-close-and-personal evening with world-renowned vintners and celebrity chefs in magnificent private homes and settings, where they will savor incomparable cuisine and award-winning, cult classic wines.

They will then step onto the sun-soaked grand lawn of The Ritz-Carlton Golf Resort, Naples for a heart-pounding live auction, to bid on rare collections of some of the world’s most sought-after wines, exotic travel adventures, limited-edition cars and unique experiences.

Bringing together the very best of the world’s wine and food, acclaimed vintners and chefs and thrilling auction lots found nowhere else in the world, the Naples Winter Wine Festival offers a weekend that’s truly one-of-a-kind.

And the best part? It’s all for the kids.

Every dollar raised under the auction tent funds the Festival’s founding organization, the Naples Children & Education Foundation (NCEF), whose annual grants and strategic initiatives transform the lives of underprivileged and at-risk children.

Since its inception, the Naples Winter Wine Festival has raised close to \$244 million and benefited more than 50 of the most effective nonprofits in the community that are working to significantly improve the physical, emotional and educational lives of children. In addition to its annual grants, NCEF funds seven long-term strategic initiatives: improving early learning and out-of-school programming; providing access to healthcare, mental health and oral health services; ending childhood hunger; and offering vision screening. Through NCEF’s efforts over 300,000 children have received the services and resources they need to excel.

This unique approach has become a blueprint on how to transform a community, one issue at a time.
